WOODEN ARBOR

This stylish wooden arbor is the perfect piece to get married under. Beautiful on its own, or with a plethora of florals. It will create a natural frame on your wedding day, making you the center of attention.

WOODEN CROSS

Our cross is perfect for couples wanting to add a religious element to their ceremony.

WOODEN TRIANGLE ARBOR

Great for both outdoor and indoor weddings because it's self-standing, we can set it up where ever you'd like. Leave the wood natural or decorate with flowers, greenery, fabric, lights, or anything to coordinate with your wedding theme and decor.

CIRCLE ARBOR

This beautiful gold circle wedding arbor is the perfect backdrop for a modern wedding ceremony. It complements nearly any color scheme and can be setup indoors or outdoors. Hang lights, flowers, fabrics, crystals... There is no limit except your imagination with this arbor!

WOODEN DOORS

The wooden doors are functioning and assist with keeping the bride hidden until she is ready to walk down the isle.

CEREMONY SIGNS

Beautiful white chalkboard sign you can use as a Welcome Sign.

Unplugged Ceremony Signs are a great way to ask your guests to not be distracted during the important ceremony.

This is a sweet pallet design, a large heart shape, and a decorative white quote that tells the guests to pick a seat, not a side.
